  • Project Applications (Title I, Part A and Title IX, Part A)
  • End of Year Title IX, Part A Sub-grantee Reports
  • Title IX, Part A District Data Profiles

State Homeless Education Program Goals

All Florida LEAs will:

• consistently identify at least 5% of their FRL enrollment as homeless in a school year
• consistently achieve at least a 90% school attendance rate for students identified as homeless in a school year
• consistently promote at least 90% of students identified as homeless in a school year to the next grade at the end of each year
Shimberg Report on Homelessness and Education
Study results: on all factors measured, homeless students struggled more than their housed peers.

- Florida Department of Education data from 2015-2016 school year
- Compared homeless, housed/receiving free or reduced price lunch, housed/full price lunch

Fewer homeless students received passing scores on state tests.

Students Passing FSA and SSA as Percentage of Grade-Eligible Students, 2015-16 School Year

Because of data availability, percentages refer to the number of students passing the test as a percentage of total students in the relevant grades, rather than as a percentage of students taking the test. Since some students did not take the tests, the percentages for all groups are lower than the actual passing rates of test takers.

- Homelessness prevention and rapid re-housing services
- Services to help parents work: afterschool care, education for work skills, transportation
- Case management and life/financial skills training for parents
- Safe housing options for unaccompanied youth

Down to McKinney-Vento Basics
Purpose: McKinney-Vento Act (Title IX, Part A)

• To ensure that each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education, including a public preschool education, as provided to other children and youths.

• To review and revise policies and practices to remove barriers to the education of homeless children and youth.

• To keep homeless children and youth in the mainstream of education.

• To assure the homeless children and youth have access to the same education and services as other children and youth.
Homeless Education Liaison Responsibilities [sec.722(g)(6)(A)]

Ensure that:

✓ Homeless children and youth are identified and immediately enrolled and fully participating in their school’s educational program
✓ Homeless families, children, and youth have access to educational services for which they are eligible, including Head Start and ESE services
✓ Homeless families, children, and youth are referred to health, dental, mental health, substance abuse, housing, and other indicated services
✓ Parents or guardians and unaccompanied homeless youth are informed of the educational rights of homeless children and youth, including transportation to their school of origin and other comparable transportation services
✓ Public notices of the educational rights of homeless children and youth are posted in key locations in schools and the community
✓ Enrollment disputes are resolved promptly
✓ Homeless education staff receive professional development and other support
✓ Unaccompanied homeless youth are enrolled and fully participating in school, receive appropriate credit for full or partial coursework satisfactorily completed, and informed of their status as independent students for federal financial aid and receive assistance to enroll in postsecondary education
The McKinney-Vento Homeless Assistance Improvements Act of 2015

Protects the educational rights of children and youth experiencing homelessness

- Federal law
- First enacted in 1987
- Reauthorized in 2015 as a part of the Every Student Succeeds Act (ESSA)
What Rights are provided under McKinney-Vento?

- Immediate Enrollment
- Education Stability & School Selection
- Free Meals
- Transportation
Who is covered under McKinney-Vento? [Sec. 725(2)(A)]

All students who lack a nighttime residence that is:

- Fixed
- Adequate
- Regular
Definitions of Homelessness: Terms

- **FIXED**: A fixed residence is one that is stationary, permanent, and not subject to change.

- **REGULAR**: A regular residence is one which is used on a predictable, routine basis, or consistent basis.

- **ADEQUATE**: An adequate residence is one that is sufficient for meeting both the physical and psychological needs typically met in the home.

Examples of Homelessness - [Sec. 725(2)(B)]

Living in:

- Housing of others due to loss of housing, economic hardship or other similar reason
- An emergency or transitional shelter
- Motels, hotels, (travel) trailer parks, camping grounds
- Cars, parks, abandoned buildings, bus or train stations, or a public or private place not designed for sleeping
- Migratory and living in a circumstance described above
QUESTIONS
Homeless Unaccompanied Children and Youth [Sec. 725(6)]

Definition

• A child or youth who:
  – meets the definition of homeless and
  – is not in the physical custody of a parent or guardian.

• Of those identified as homeless students in 2018-2019, 7,006 Florida students were Homeless Unaccompanied Children and Youth.

*2018-2019 Preliminary Survey 5 as of 09/2019
**Unaccompanied Youth Eligibility Flowchart**

**HOMELESS:**
SHOULD be enrolled as UHY under MV

- Family was evicted; cannot find housing all together; parent placed child temporarily with a friend or relative
- Student left home due to danger or extreme conflict; student was put out of home by parent for a similar reason
- The family was homeless prior to the parent’s incarceration or the caregiver arrangement is not fixed, regular, and adequate
- The family lost housing; the parent placed the child temporarily with a friend or relative

**NOT HOMELESS:**
SHOULD NOT be enrolled as UHY under MV

- Parent transferred for work; plan for student care & support in place so student can stay to finish school
- Student moved in with a friend, relative, or coach to play sports, be in the band, attend a magnet school, etc.
- Student did not change residences, caregiver moved in; parent made arrangements for the student prior to incarceration
- Parent’s work schedule was problematic, so the child stays with relatives for school

**Is the student residing with someone who is not a parent or court-appointed legal guardian?**

**Why is the student with this person?**

- NEED MORE INFORMATION
- Parent is incarcerated and a relative or friend agreed to care for the child
- Parent enrolled the student and then left the area

**NOTE:** The information contained in this flowchart is intended to serve as a general guide. All McKinney-Vento eligibility determinations should be made on a case-by-case basis weighing the individual circumstances of each student. To be eligible for McKinney-Vento services as an unaccompanied homeless student, the student must meet the criteria of both homeless and unaccompanied.

Is There an Age Range? [Sec. 721(1)]

• McKinney Vento (MV) Act does not provide an age range.
  – Includes Preschool-aged children (Head Start, PreK, etc.)
  – MV applies to all school-aged children and youth (as defined by state law)
Determining Eligibility

• Case-by-case determination based on the circumstances of each child

• Understand that some cases will be clear-cut; others will require further inquiry and a more nuanced analysis

• Get as much information as possible (without intimidating the parent or youth)

• Use fixed, regular, and adequate as guiding principles

• Remember that the list of living arrangements included in Sec. 725(2)(B) describes common homeless situations, but is not exhaustive

Confirming Eligibility: Do's and Don'ts

• DON’T contact people or agencies outside of the school system to seek information about a family’s or youth’s situation.

• DON’T conduct invasive surveillance of families or youth (e.g., follow them, observe them outside residence, talk to neighbors, etc.)
  • Note: Trained staff may conduct home visits, if needed

• DON’T use police officers to conduct home visits

• DON’T insist families or youth provide documents like eviction notices, utility bills, occupancy permits, or notarized letters from party who house they are sharing

- Are they homeless? If yes, what’s the nighttime residence?
- Not sure? What additional information would you like to have?
Scenario 1 - Eligible or Not?
