

I'm Homeless...

How do I get my COVID-19 Economic Stimulus Payment?

Who is eligible?

- Anyone who filed a 2018 or 2019 tax return or who gets SSDI will automatically get a check.
- Update your address using the official form.
- If you did not file a tax return, you must file a form with the IRS first.

If you have changed addresses since your last tax return, you can file a simple form to make sure your check is mailed to the right place.
